

Subpart B—Outer Continental Shelf (OCS) Facility Security Requirements

§ 106.200 Owner or operator.

(a) Each OCS facility owner or operator must ensure that the OCS facility operates in compliance with the requirements of this part.

(b) For each OCS facility, the OCS facility owner or operator must:

(1) Define the security organizational structure for each OCS facility and provide each person exercising security duties or responsibilities within that structure the support needed to fulfill those obligations;

(2) Designate in writing, by name or title, a Company Security Officer (CSO) and a Facility Security Officer (FSO) for each OCS facility and identify how those officers can be contacted at any time;

(3) Ensure that a Facility Security Assessment (FSA) is conducted;

(4) Ensure the development and submission for approval of a Facility Security Plan (FSP);

(5) Ensure that the OCS facility operates in compliance with the approved FSP;

(6) Ensure that the TWIC program is properly implemented as set forth in this part, including:

(i) Ensuring that only individuals who hold a TWIC and are authorized to be in the secure area are permitted to escort; and

(ii) Identifying what action is to be taken by an escort, or other authorized individual, should individuals under escort engage in activities other than those for which escorted access was granted.

(7) Ensure that adequate coordination of security issues takes place between OCS facilities and vessels, including the execution of a Declaration of Security (DoS) as required by this part;

(8) Ensure, within 12 hours of notification of an increase in MARSEC Level, implementation of the additional security measures required by the FSP for the new MARSEC Level;

(9) Ensure all breaches of security and security incidents are reported in accordance with part 101 of this subchapter;

(10) Ensure consistency between security requirements and safety requirements;

(11) Inform OCS facility personnel of their responsibility to apply for and maintain a TWIC, including the deadlines and methods for such applications, and of their obligation to inform TSA of any event that would render them ineligible for a TWIC, or which would invalidate their existing TWIC;

(12) Ensure that protocols consistent with § 106.260(c) of this part, for dealing with individuals requiring access who report a lost, damaged, or stolen TWIC, or who have applied for and not yet received a TWIC, are in place; and

(13) If applicable, ensure that protocols consistent with § 106.262 of this part, for dealing with newly hired employees who have applied for and not yet received a TWIC, are in place.

§ 106.205 Company Security Officer (CSO).

(a) *General.* (1) An OCS facility owner or operator may designate a single CSO for all its OCS facilities to which this part applies, or may designate more than one CSO, in which case the owner or operator must clearly identify the OCS facilities for which each CSO is responsible.

(2) A CSO may perform other duties within the owner's or operator's organization, including the duties of a Facility Security Officer, provided he or she is able to perform the duties and responsibilities required of the CSO.

(3) The CSO may delegate duties required by this part, but remains responsible for the performance of those duties.

(4) The CSO must maintain a TWIC.

(b) *Qualifications.* The CSO must have general knowledge, through training or equivalent job experience, in the following:

(1) Security administration and organization of the OCS facility;

(2) OCS facility and vessel operations and conditions;

(3) OCS facility and vessel security measures including the meaning and consequential requirements of the different MARSEC Levels;
